

Leaving a charitable gift in your will

This information was prepared in September 2024, and will be affected by future legislation.

Each year at the English Folk Dance and Song Society we typically receive several gifts left by generous supporters in their wills. These sometimes amount to significant sums, although we value and welcome gifts of all sizes.

Some gifts are left open to support our work as whole, and in other cases the donor expresses a wish that they should be used for specific activities.

Over the past decade or so, gifts in wills have meant that we could create a Dance Development Manager post; they have paid for the digitisation and cataloguing of seminal folk collections; and they have supported improvements to Cecil Sharp House including adding step-free access to all floors of the building, as well as restoring Kennedy Hall and its mural by Ivon Hitchens. Gifts in wills have also supported our day-to-day work in safeguarding, promoting and developing folk dance, music and song across England.

You can include the English Folk Dance and Song Society in your will by directing your gift to the **English Folk Dance and Song Society (EFDSS), registered charity number 305999**.

Making a will and including a charitable gift within in need not be complicated or expensive. Do please note that we are not qualified to offer legal or financial advice, so you should consult an independent professional adviser.

LEAVING A GIFT FOR GENERAL PURPOSES

If you choose to leave a gift for the English Folk Dance and Song Society's general purposes, we will use your gift where it is needed most.

Many people choose to leave a share of the **residue of their estate** – after taking care of their immediate loved ones, of course. A gift of even the final 1% could make a significant difference.

A suitable wording could be:

"I give all/a share of (please state fraction/percentage) the residue of my estate absolutely to the English Folk Dance and Song Society of Cecil Sharp House, 2 Regent's Park Road, London NW1 7AY, Registered Charity Number 305999, to be applied for the general purposes of the English Folk Dance and Song Society and I direct that the receipt of a proper officer for the time being of the English Folk Dance and Song Society shall be a complete discharge to my Executors."

If you want to make straightforward **gift of a fixed amount**, a suggested wording is:

"I give to the English Folk Dance and Song Society of Cecil Sharp House, 2 Regent's Park Road, London, NW1 7AY, Registered Charity Number 305999, to be applied for the general purposes of the English Folk Dance and Song Society the sum of (amount in figures, amount in words) and I direct that the receipt of a proper officer for the time being of the English Folk Dance and Song Society shall be a complete discharge to my Executors."

LEAVING A GIFT FOR A SPECIFIC ASPECT OF OUR WORK

We will support any wishes that you have clearly stated in your will, as long as they are possible. Before finalising your will please do speak with us if you are able to do so, and with the assistance of your professional adviser if appropriate, so we can advise on whether we expect your wishes to be realistic.

One of the easiest ways to let us know how you would like us to use your gift is to include a letter with your will expressing your wishes. As it could be many years from now when we receive your gift, it is possible that your specified need will no longer exist: so it would be helpful if the clause in your will allows us to use your donation *'for the general purposes of the English Folk Dance and Song Society'*.

INHERITANCE TAX MAY BE REDUCED BY MAKING A DONATION IN YOUR WILL

If your estate is expected to attract Inheritance Tax, the rate of tax due can be reduced by leaving 10% or more to charity.

The standard Inheritance Tax rate is 40%, which is charged on the part of your estate that's above the threshold. The standard threshold is £325,000, but if you give away your home to your children or grandchildren your threshold can increase to £500,000. Funds from your estate are used to pay Inheritance Tax.

You may qualify to pay Inheritance Tax at a reduced rate of 36% if you leave at least 10% of your net estate to charity.

For example:

- Your estate (after deductions have been made to cover any debts) is worth £850,000 and your tax-free threshold is £325,000.
- Inheritance Tax will be applied to £525,000 (£850,000 minus £325,000).
So Inheritance Tax will be 40% of £525,000 = £210,000.
- If however you leave 10% of your estate to charity:
Your gift of £85,000 will go to the charity in full.
Inheritance Tax will now be 36% of £525,000 = £189,000 – the bill is reduced by £21,000.
Your £85,000 donation will cost your estate only £64,000.
